

Customer Retention & Churn Analysis

Total Customers: 7043

Churned Customers: 1869

Churn Rate: 26.54%

Key Findings

- Month-to-month contract customers had the highest churn.
- Fiber optic customers had the highest churn count.
- Electronic check customers had higher churn.
- Customers on one-year and two-year contracts had lower churn.

Recommendations

- Offer discounts or benefits for customers who choose longer contracts.
- Provide retention offers to month-to-month customers.
- Review Fiber optic pricing and customer support.
- Encourage automatic payment methods through small incentives.
